

Board Meeting 7/23/18
Industry Cluster

Rhode Island Virtual Realty (RIVR) | Statewide | \$85,000 - RIVR is a collaborative effort of RI business, education, healthcare, non-profit and government to establish and advance an effective ecosystem for the advancement of RI competitiveness in the Virtual Reality/Augmented Reality (VR/AR) industry sector. The principal goals are to 1) attract and retain investment and jobs 2) prepare RI based VR/AR efforts to move faster, further and better in capturing market share in their sectors, and 3) position RI as an effective competitor in the sector.
