VOTE OF THE BOARD OF DIRECTORS
OF THE RHODE ISLAND COMMERCE CORPORATION

February 25, 2019

APPROVED

VOTED: To approve meeting minutes for the meeting held January 28, 2019 as presented to the Board.
The Board of Directors of the Rhode Island Commerce Corporation (the “Corporation”) met on January 28, 2019, in Public Session, beginning at 5:00 p.m. at the offices of the Corporation, located at 315 Iron Horse Way, Suite 101, Providence, Rhode Island 02908, pursuant to the public notice of meeting, a copy of which is attached hereto as Exhibit A, as required by applicable Rhode Island law.

The following Directors were present and participated throughout the meeting as indicated: Governor Gina M. Raimondo, Dr. Nancy Carriuolo, Bernard Buonanno, III, Mary Jo Kaplan, Ronald O’Hanley, Michael McNally, George Nee, Donna Sams, Vanessa Toledo-Vickers, and Karl Wadensten.

Directors absent were: Tim Hebert and Jason Kelly.

Also present were: Secretary of Commerce Stefan Pryor; Jesse Saglio, President & COO; and Thomas E. Carlotto, Esq.

1. **CALL TO ORDER AND OPENING REMARKS.**

   Governor Raimondo called the meeting to order at 5:11, indicating that a quorum was present.

2. **TO CONSIDER THE MEETING MINUTES FOR THE MEETING HELD ON DECEMBER 17, 2018.**

   Upon motion duly made by Dr. Carriuolo and seconded by Ms. Toledo-Vickers, the following vote was adopted:

   **VOTED:** To approve meeting minutes for the meeting held December 17, 2018 as presented to the Board.

   Voting in favor of the foregoing were: Dr. Nancy Carriuolo, Bernard Buonanno, III, Mary Jo Kaplan, Ronald O’Hanley, Michael McNally, George Nee, Donna Sams, Vanessa Toledo-Vickers, and Karl Wadensten.

   Voting against the foregoing were: none.
3. **TO CONSIDER CUSTOM AND MILLER BOX COMPANY FOR AN AWARD UNDER THE QUALIFIED JOBS INCENTIVE TAX CREDIT PROGRAM.**

Jeff Miller, Executive Vice President of Investments, explained that before the Board was Custom and Miller Box Company’s application (“CMBC”) for incentives under the Qualified Jobs Tax Credit program. He noted that CMBC is a Pawtucket-based company that is seeking to consolidate its operations into a 300,000 square foot building in Pawtucket. Mr. Miller stated that CMBC has committed to creating forty-two new full-time jobs within the first three years of a ten-year commitment period. The forty-two new jobs, Mr. Miller explained, are anticipated to have a median salary of $30,000, which will result in about $660,000 in tax credits over the ten-year commitment period.

Mr. Wadensten inquired as to CMBC’s current footprint in Pawtucket, and David Strauss, CMBC’s owner, responded that the company presently occupies a one floor mill building that is 150,000 square feet. Mr. Strauss noted that CMBC’s newly proposed location is double the square footage and not as functionally obsolete as its current location. Mr. Buonanno inquired if this new facility would give CMBC a chance to increase its customer base, and Mr. Strauss responded in the affirmative. In response to a question by Mr. Wadensten, Mr. Strauss stated that the company has a hard time retaining employees, and that it would consider employing a variety of people, including those with prior criminal convictions. Mr. Nee opined that awarding incentives to CMBC is a great opportunity to support Pawtucket.

Upon motion duly made by Mr. Nee and seconded by Mr. O’Hanley, the following vote was adopted:

**VOTED:** To approve Custom and Miller Box Company for an award under the Qualified Jobs Incentive Tax Credit program pursuant to the resolution submitted to the Board.

Voting in favor of the foregoing were: Dr. Nancy Carriuolo, Bernard Buonanno, III, Mary Jo Kaplan, Ronald O’Hanley, Michael McNally, George Nee, Donna Sams, Vanessa Toledo-Vickers, and Karl Wadensten.

Voting against the foregoing were: none.

A copy of the resolution is attached hereto as **Exhibit B.**

4. **TO CONSIDER BAC CVP ALOFT LLC FOR AN AWARD UNDER THE REBUILD RHODE ISLAND TAX CREDIT PROGRAM AND THE TAX INCREMENT FINANCING PROGRAM.**

Secretary Pryor indicated that Dick Galvin, a representative of CV Properties, LLC, was present, and that a major priority for the Governor, the Board and the 195 Commission is the revitalization of the I-195 innovation and design district. Secretary Pryor explained that before the Board for approval was the application of BAC CVP Aloft, LLC (“BAC”) for incentives under the Rebuild Rhode Island Tax Credit program and the Tax Increment Financing (TIF) Program for the
construction of an Aloft Hotel in the innovation and design district. He noted that the hotel is designed to be seven stories, have 169 rooms, contain a 6,300 square-foot restaurant, and offer a rooftop bar. Secretary Pryor stated that the hotel project is estimated to create one hundred eighteen ongoing jobs and three hundred forty-seven construction jobs; result in a $9,300,000 annual increase in the State's gross domestic product, and result in a $14,000,000 net contribution to the State over the twelve years after construction. Secretary Pryor indicated that the Corporation’s staff was recommending that the Board approve up to $6,750,000 in TIF, and a $100,000 tax credit incentive under the Rebuild Rhode Island tax credit program together with a sales tax rebate in regard to the project. In addition, Secretary Pryor noted, the hotel will receive a $750,000 from the 195 Redevelopment Project Fund. As a result, Secretary Pryor stated, incentives will cumulatively total $7,600,000.

In response to questions by Mr. Wadensten, Mr. Galvin stated that construction will start later this summer, and that the Board’s approval of incentives will permit BAC and its lenders to finalize the project’s financing. Mr. Galvin further indicated that the anticipated construction timeline for the hotel is sixteen months, and the hotel has a target opening date in the 1st quarter of 2021. In response to a question by Mr. Buonanno, Mr. Galvin stated that the room rates for the hotel will follow the normal Providence rates of $172 to $174 per night. Mr. Buonanno stated that this parcel was anticipated to be a hotel project, and the incentives, in proportion to the overall costs of construction, are consistent with other hotel projects that were awarded incentives.

Upon motion duly made by Mr. O’Hanley and seconded by Dr. Carriuolo, the following vote was adopted:

**VOTED:** To approve BAC CVP Aloft LLC for incentives under the Tax Increment Financing Act and the Rebuild Rhode Island Tax Credit Act pursuant to the resolutions presented to the Board.

Voting in favor of the foregoing were: Dr. Nancy Carriuolo, Bernard Buonanno, III, Mary Jo Kaplan, Ronald O’Hanley, Michael McNally, George Nee, Donna Sams, Vanessa Toledo-Vickers, and Karl Wadensten.

Voting against the foregoing were: none.

A copy of the resolution is attached hereto as Exhibit C.

5. **TO CONSIDER FOR APPROVAL INNOVATION VOUCHERS.**

Christine Smith, Managing Director of Innovation, stated that five innovation vouchers were before the Board for consideration, which cumulatively total $242,582. Ms. Smith indicated that one voucher will be used for internal research and development, and the other four are vouchers to applicants that are partnered with different departments within the University of Rhode Island. She also noted that applicants for vouchers come from a wide variety of sectors, such as defense, the blue economy, advanced textiles, and advanced manufacturing. Ms. Smith explained that if the Board approves the vouchers before it, the Innovation Voucher program will have $486,000 remaining for the remaining five months of this year, which will likely fund about nine
to ten more vouchers. Mr. Wadensten described his role at the University of Rhode Island, and expressed his hope to connect college seniors with applicants for the Corporation’s programs in a way to increase employment in the State. The Governor commented that the Innovation Voucher program has been in existence for a few years and has made $3,500,000 in awards. Mr. McNally commented that vouchers awarded to those partnered with URI are good because it is a “double win.” Mr. Wadensten stated that the Corporation should try to also get other universities and colleges involved in the program.

Upon motion duly made by Ms. Toledo-Vickers and seconded by Mr. Wadensten, the following vote was adopted:

**VOTED:** To approve the Innovation Vouchers pursuant to the resolution submitted to the Board.

Voting in favor of the foregoing were: Dr. Nancy Carriuolo, Bernard Buonanno, III, Mary Jo Kaplan, Ronald O’Hanley, Michael McNally, George Nee, Donna Sams, Vanessa Toledo-Vickers, and Karl Wadensten.

Voting against the foregoing were: none.

A copy of the resolution is attached hereto as **Exhibit D.**

6. **TO CONSIDER FOR APPROVAL THE BUDGET OF THE CORPORATION.**

Mr. Saglio provided an overview of the Corporation’s budget, which totals $54.1 million and includes $9.8 million of operating funds and $44.3 million of funds for the Corporation’s programs. He indicated that the operating funds are used to pay expenses such as salaries, overhead, and consultants, and the program funds are the funds invested into the State’s economy. Mr. Saglio explained that the funding sources of the budget include annual state appropriations, hotel taxes, federal grants, and other modest income generated through the Corporation’s operations. Mr. Saglio observed that the budget before the Board is similar to last year’s budget. Mr. Saglio discussed other aspects of the budget in comparison to last year.

Mr. McNally expresses his belief that the budget is encouraging because personnel and overhead costs have decreased despite the amount of incentives issued increasing, which means that its costing less to make more incentives. In response to a question, Lisa Lasky, the Corporation’s Chief Financial Officer, explained the reason for restricted funds. Mr. Saglio and Mr. Wadensten discussed the tourism and marketing budget and how it is funded and tax increment financing structures. Mr. Buonanno expressed his approval of the budget. Mr. O’Hanley suggested making the budget easier to comprehend for the public.

Upon motion duly made by Mr. O’Hanley and seconded by Mr. McNally the following vote was adopted:

**VOTED:** To approve the Corporation’s annual budget as presented to the Board.
Voting in favor of the foregoing were: Dr. Nancy Carriuolo, Bernard Buonanno, III, Mary Jo Kaplan, Ronald O’Hanley, Michael McNally, George Nee, Donna Sams, Vanessa Toledo-Vickers, and Karl Wadensten.

Voting against the foregoing were: none.

There being no further business in Public Session, the meeting was adjourned by unanimous consent at 5:45 p.m. upon motion made by Dr. Carriuolo and seconded by Mr. Wadensten.

Rhode Island Commerce Corporation
Qualified Jobs Incentive Tax Credits – Economic Impact Analysis
Custom & Miller Box Application

Introduction
The Rhode Island Commerce Corporation (the "Corporation") may issue Qualified Jobs Incentive tax credits to Custom & Miller Box ("the Company"), a subsidiary of Key Container Corporation that manufactures corrugated cardboard containers. The credits would be issued in connection with the Company’s decision to consolidate its existing operations in an existing building located at 60 Delta Drive in Pawtucket. Consolidation at this new location would result in the addition of 42 jobs to the Company’s Rhode Island operations over the next three years. The Company is expected to request Qualified Jobs Incentive tax credits with an estimated value of approximately $612,000.

This analysis was prepared by Appleseed, a consulting firm with more than twenty years of experience in economic impact analysis.

Jobs Analysis
Annual operations
As noted above, the Company intends to add 42 employees at its new facility during its first three years. Table 1 summarizes the categories in which these jobs will be created (as of 2022), and median earnings for each category.

<table>
<thead>
<tr>
<th>Job category</th>

Based on data provided by the Company, and using the IMPLAN input-output modeling system, Appleseed estimates that in 2022, ongoing operations associated with the 42 full-time jobs the Company would be committed to adding and maintaining will directly and indirectly support:

- 68 full-time-equivalent (FTE) jobs in Rhode Island;
- $3.625 million in annual earnings (in 2022 dollars);
- $20.138 million in statewide economic output; and
- An increase $5.135 million in Rhode Island’s annual GDP.

These impacts are summarized below in Table 2.

</tr>
<tr>
<td>Total</td>
<td>68</td>
<td>$3.625</td>
<td>$5.135</td>
</tr>
</tbody>
</table>
In addition to the impacts on employment, earnings, output and state GDP cited above, expansion of the Company’s operations in Rhode Island would generate a projected increase of approximately $212,000 in annual state tax revenues, including:

- $136,000 in state personal income taxes paid by workers newly employed by the Company in its new operations in Rhode Island, or by Rhode Island workers whose jobs are indirectly attributable to the Company’s new facility;
- $59,000 in state sales taxes paid on those workers’ taxable household spending; and
- $17,000 in state business taxes.

**Hiring**

Job openings are posted online. Qualified applicants are then selected for interviews, and offers are extended to the most qualified candidates.

**Benefits**

All Custom & Miller employees are offered health insurance, participation in a 401(k) plan, life insurance, paid vacation and sick days.

**Impact**

The state fiscal impact of the requested tax credits is estimated to be approximately $612,000 in foregone state revenue. Direct and indirect economic and fiscal benefits of the proposed project include the estimated increase in annual state GDP of $5.1 million in 2022, the estimated associated job creation, and a gross increase of $2.35 million in personal income, sales and business tax revenues during the twelve-year commitment period beginning in 2020. These benefits are detailed in the foregoing analysis.

In addition to the economic and tax revenue impacts cited above, the Company’s consolidation in its new facility would benefit Rhode Island in other ways, including:

- Retaining existing Company jobs that would otherwise have moved out of state
- Contributing to the ongoing process of economic revitalization in Pawtucket, by rehabilitating and reactivating a recently vacated industrial property

Beyond the fiscal impact noted above, there is no anticipated financial exposure to the state. Various features of the Qualified Jobs Incentive program mitigate risk to the state; and the value of Qualified Jobs Incentive tax credits would be determined on the basis of the number of people actually employed and the wages actually paid by the Company.

2. The project is consistent with the purpose of the Rebuild Rhode Island Tax Credit Act, R.I. Gen. Laws § 42-64.20-1 et seq.

3. The total credits to be awarded to the applicant shall not be in excess of the amount listed above.
The staff of the Rhode Island Commerce Corporation (the “Corporation”) has informed the Office of Management and Budget (“OMB”) that it intends to recommend to the Corporation’s Board of Directors (the “Board”) one project for the receipt of tax credits under the Rebuild Rhode Island Tax Credit in an additional amount not to exceed $100,000.00. That recommendation is as follows:

1. That the application submitted by BAC CVP Aloft LLC be approved for tax credits in a maximum amount of $100,000.00.

As of December 17, 2018, the Corporation had approved tax credits and/or loans under the program in the amount of $111,304,827.92. The approval of an additional $100,000.00 in tax credits would bring the cumulative total of approved credits and/or loans $111,404,827.92. Currently $49.7 million dollars have been appropriated into the Rebuild Rhode Island Tax Credit Fund. Additional funding is expected in future legislative sessions and section 42-64.20-5(f) of the Rhode Island General Laws authorized aggregate tax credits and/or loans under the Rebuild Rhode Island Tax Credit program in an amount not to exceed $150 million. Accordingly, the existing and anticipated revenue capacity for the Rebuild Rhode Island Tax Credit program exceeds the total amount of credits and/or loans that are proposed for approval. As a result, OMB confirms that the additional amount of credits and/or loans proposed above, i.e. $100,000.00, does not exceed the existing and anticipated revenue capacity of the state for the Rebuild Rhode Island Tax Credit program. In addition, OMB confirms that, with the approval of the proposed credits and/or loans, the aggregate credits and/or loans approved by the Corporation under the Rebuild Rhode Island program will not exceed the maximum aggregate credits and/or loans allowed under the program.

Furthermore, based on information provided by the Corporation staff concerning the anticipated completion schedule of the projects that are the subject of these applications and the likely distribution of credits and/or loan proceeds over the five-year payment period, OMB anticipates the budget impact to the state of the credits and/or loans, if approved, in the year of application and in subsequent years will be as set forth in the attached Exhibit A.

The memorandum constitutes OMB’s written confirmation pursuant to RIGL § 42-64.20-6(a)(4) and pursuant to 870-RICR-30-00-3.12(A)(3) (Rules and Regulations for the Rebuild Rhode Island Tax Credit Program). Pursuant to RIGL § 42-64.20-5(m), any disbursements to support the redemption of tax credits for 90% of their value are subject to appropriations, and applicants should be notified accordingly.

Rebuild Rhode Island Tax Credits – Economic Impact Analysis

*BAC CVP Aloft LLC Application*

Introduction

The Rhode Island Commerce Corporation (the "Corporation") may provide Rebuild Rhode Island tax credits to BAC CVP Aloft LLC (the "Sponsor"). The credits would be provided in connection with the Sponsor’s proposed investment in the development of the Aloft Providence Hotel, a new 169-room select-service hotel that would be located on a site adjacent to the life sciences complex that is being developed in the I-195 Redevelopment District.

The Sponsor estimates the total cost of the project to be $55.2 million. The Sponsor is requesting Rebuild Rhode Island tax credits totaling $100,000 (gross), an exemption from sales and use taxes payable on purchases of construction materials, valued at approximately $1.5 million, and a tax increment financing (TIF) loan of $6.75 million.

This analysis was prepared by Appleseed, a consulting firm with more than twenty years of experience in economic impact analysis.

Construction

As shown in Table 1, the Sponsor’s estimate of total project cost is approximately $55.2 million.

After excluding certain expenditures that do not have a direct, current impact on Rhode Island’s economy (such property acquisition and interest costs), spending on development of the proposed project is estimated to total approximately $53.2 million.
Appleseed estimates that direct expenditures of $53.2 million will directly and indirectly generate:

- 347 person-years\(^1\) of work in Rhode Island, with $21.8 million in earnings (in 2020 dollars); and
- A one-time increase of $33.5 million in Rhode Island’s GDP.

These impacts are summarized below in Table 2. The project’s direct impact is the impact of the Sponsor’s direct spending on construction, including both hard and soft costs. Its indirect impact is the effect of spending by contractors for goods and services (insurance, construction materials, etc.) purchased from other Rhode Island businesses.

In addition to the impacts on employment, earnings, output and state GDP cited in Table 2, direct spending of $53.2 million would generate a projected one-time increase of approximately $1.279 in taxes paid to the State during construction, including:

- $819,000 in state personal income taxes paid by Rhode Island workers employed on the project, or whose jobs are indirectly attributable to the project;
- $357,000 in state sales taxes paid on those workers’ taxable household spending; and
- $103,000 in state business taxes.

The activity reflected in Table 2 will occur primarily in 2019 and 2020.

The anticipated wage rates for construction jobs are shown below in Table 3. Anticipated wage rates are the median hourly wage for these occupations in Rhode Island, as of 2017.

---

\(^1\) A person-year is equivalent to the time worked by one person who is employed full-time for a year. It could for example represent the work of two people who are each employed full-time for six months; or the work of one person who is employed half-time for two years.

\(^2\) Output is a measure of the total sales by Rhode Island companies (including the “sale” of labor by Rhode Island households) generated by the project.

Fringe benefits associated with these jobs are expected to be in accordance with industry norms, with the cost of such benefits generally ranging between 22 and 28 percent of wages. Workers who fill these jobs are expected to be drawn primarily from the Providence-Warwick RI-MA New England City and Town Area (NECTA).

Annual operations

The Aloft Providence Hotel and its restaurant tenant are assumed to begin operating in late 2020. Based on information provided by the Sponsor, Appleseed estimates that upon stabilization in 2022, the hotel itself will directly employ 63 workers; and the restaurant will directly employ 37.

Based on these projections, we estimate (as shown in Table 4) that in 2022, ongoing operations would directly and indirectly support:

- 118 jobs in Rhode Island, with approximately $4.9 million in annual earnings (in 2022 dollars);
- $15.1 million in annual statewide economic output; and
- An increase of nearly $9.3 million in Rhode Island’s annual GDP.

<th>Output</th>
</tr>
</thead>
</table>

3 Rhode Island Department of Labor and Training, Occupational Employment Statistics, 2017
In addition to the impacts on employment, earnings, output and state GDP cited in Table 4, ongoing operations would generate a projected gross increase of approximately $1.649 million in taxes paid to the state in 2022, including:

- $1,129 million in state hotel taxes
- $231,000 on restaurant and bar sales taxes
- $185,000 in state personal income taxes paid by Rhode Island workers employed by the hotel and restaurant, or whose jobs are indirectly attributable to the operations of those businesses
- $81,000 in state sales taxes paid on those workers' taxable household spending
- $23,000 in state business taxes

Workers employed by the hotel and restaurant would be drawn primarily from Providence and surrounding communities.

Impact

The state fiscal impact of the requested tax credit and sales tax exemption is approximately $1.6 million in foregone state tax revenue. Direct and indirect economic and fiscal benefits of the proposed project include an estimated increase in annual state GDP (in 2022) of approximately $9.3 million; the associated job creation; and a gross increase of approximately $20.969 million in hotel, personal income, sales and business tax revenues directly and indirectly generated by the project during the construction phase, and by ongoing operations during the twelve years from 2021 through 2032.

In addition to the economic and tax revenue impacts cited above, the proposed project would benefit Rhode Island in several other ways:

- By increasing the supply of hotels available to support continued growth in the Innovation District and Downcity Providence
- By creating jobs that will be accessible to workers with a high school education
- By increasing local real property and personal property taxes

Beyond the fiscal impact noted above, there is no anticipated financial exposure to the state. Various features of the Rebuild Rhode Island program mitigate other risks to the state. In particular, the completion risk (i.e., the risk that the project is not completed) is mitigated by the fact that the requested tax credits will be issued only upon completion of the development. The
risk of project cost overruns is mitigated by the fact that state's participation would be capped at the amounts set forth above.

Re: Tax Increment Financing Credit Application

Date: January 28, 2019

The staff of the Rhode Island Commerce Corporation (the “Corporation”) is recommending to the Board of Directors that it approve the application of BAC CVP Aloft LLC (the “Application”) for an incentive pursuant to the Tax Increment Financing (“TIF”) program. This memo serves as the written confirmation, pursuant to Rhode Island General Laws § 46-64.21-6 and the Rules and Regulations for the Rhode Island Tax Increment Financing Act of 2015 (the “Rules”), of the following:

1. The Corporation’s staff has reviewed the application submitted and the impact analysis for this project (the impact analysis is provided to the Board as an exhibit to the approving resolution for the project).

2. The proposed boundaries of the Qualifying TIF Area (as that term is defined in the Rules) shall be limited to that portion of the real property located in Providence upon which the proposed hotel will be constructed as shall be more particularly set forth in an incentive agreement.

3. The length of the TIF agreement shall be 18 years or fewer.

4. The Corporation has determined, in its discretion, that the eligible revenues for purposes of this Application would not exceed the sales and hotel taxes assessed and collected under Chapters 18 and 19 of Title 44 of the General Laws. The percentage of the incremental revenues from those source to be allocated under the TIF agreement shall not exceed 75% of the sales tax assessed and collected in the Qualifying TIF Area and shall not exceed and seventy-five (75%) percent of the Corporation’s share of the five percent (5%) hotel tax imposed under RIGL § 44-18-36.1(a) assessed and collected in the Qualifying TIF Area.

5. The project is consistent with the purpose of the Tax Increment Financing Act, R.I. Gen. Laws § 42-64.21-1 et seq.
The staff of the Rhode Island Commerce Corporation (the "Corporation") has informed the Division of Taxation (the "Division") that it intends to recommend to the Corporation's Board of Directors the application of BAC CVP Aloft LLC (the "Application") for incentives under the Rhode Island Tax Increment Financing Act of 2015, R.I. Gen. Laws § 42-64.21-1 et seq. (the "Act"). The Corporation proposes to enter into a TIF agreement with the Applicant in which the relevant tax streams will be the hotel sales and occupancy taxes as well as restaurant food and beverages taxes assessed and collected under Chapters 18 and 19 of Title 44 of the General Laws. The Act requires the Division to certify the "revenue increment base" for this proposed TIF agreement. See R.I. Gen. Laws § 42-64.21-3(11). This memo constitutes the Division's certification under the Act.

The Act defines the "revenue increment base" as "the amounts of all eligible revenues from sources within the qualifying TIF area in the calendar year preceding the year in which the TIF agreement is executed, as certified by the division of taxation." Id. The Corporation has informed the Division of the following:

- The Application is for a hotel in Providence, RI.
- The proposed qualifying TIF area for the Application located on Lot 401 Assessor's Plat 20, as depicted in the map attached in Exhibit A.
- The Corporation has determined, in its discretion, the eligible revenues for purposes of this Application would not exceed the sales and hotel occupancy taxes as well as restaurant food and beverages taxes assessed and collected under Chapters 18 and 19 of Title 44 of the General Laws.
- The TIF Agreement is anticipated to be entered into in the 2019 calendar year.

The Division of Taxation has determined that no Rhode Island hotel sales and occupancy taxes nor restaurant food and beverages taxes was collected or assessed in the proposed qualifying TIF area for the calendar year 2018. Accordingly, on the basis of the foregoing information provided by the Corporation, the Division hereby certifies that the revenue increment base for the proposed TIF agreement is zero ($0.00).

Rebuild Rhode Island Tax Credits – Economic Impact Analysis

BAC CVP Aloft LLC Application

Introduction

The Rhode Island Commerce Corporation (the “Corporation”) may provide Rebuild Rhode Island tax credits to BAC CVP Aloft LLC (the “Sponsor”). The credits would be provided in connection with the Sponsor’s proposed investment in the development of the Aloft Providence Hotel, a new 169-room select-service hotel that would be located on a site adjacent to the life sciences complex that is being developed in the I-195 Redevelopment District.

The Sponsor estimates the total cost of the project to be $55.2 million. The Sponsor is requesting Rebuild Rhode Island tax credits totaling $100,000 (gross), an exemption from sales and use taxes payable on purchases of construction materials, valued at approximately $1.5 million, and a tax increment financing (TIF) loan of $8.75 million.

This analysis was prepared by Appleseed, a consulting firm with more than twenty years of experience in economic impact analysis.

Jobs Analysis

Construction

As shown in Table 1, the Sponsor’s estimate of total project cost is approximately $55.2 million.

After excluding certain expenditures that do not have a direct, current impact on Rhode Island’s economy (such property acquisition and interest costs), spending on development of the proposed project is estimated to total approximately $53.2 million.

Appleseed estimates that direct expenditures of $53.2 million will directly and indirectly generate:
• 347 person-years\(^4\) of work in Rhode Island, with $21.8 million in earnings (in 2020 dollars);
• Approximately $62.9 million in statewide economic output\(^5\); and
• A one-time increase of $33.5 million in Rhode Island’s GDP.

These impacts are summarized below in Table 2. The project’s direct impact is the impact of the Sponsor’s direct spending on construction, including both hard and soft costs. Its indirect impact is the effect of spending by contractors for goods and services (insurance, construction materials, etc.) purchased from other Rhode Island businesses.

In addition to the impacts on employment, earnings, output and state GDP cited in Table 2, direct spending of $53.2 million would generate a projected one-time increase of approximately $1.279 in taxes paid to the State during construction, including:

• $819,000 in state personal income taxes paid by Rhode Island workers employed on the project, or whose jobs are indirectly attributable to the project;
• $357,000 in state sales taxes paid on those workers’ taxable household spending; and

Workers who fill these jobs are expected to be drawn primarily from the Providence-Warwick RI-MA New England City and Town Area (NECTA).

**Annual operations**

The Aloft Providence Hotel and its restaurant tenant are assumed to begin operating in late 2020. Based on information provided by the Sponsor, Appleseed estimates that upon stabilization in 2022, the hotel itself will directly employ 63 workers; and the restaurant will directly employ 37.

Based on these projections, we estimate (as shown in Table 4) that in 2022, ongoing operations would directly and indirectly support:

- 118 jobs in Rhode Island, with approximately $4.9 million in annual earnings (in 2022 dollars);
- $15.1 million in annual statewide economic output; and
- An increase of nearly $9.3 million in Rhode Island’s annual GDP.

In addition to the impacts on employment, earnings, output and state GDP cited in Table 4, ongoing operations would generate a projected gross increase of approximately $1.649 million in taxes paid to the state in 2022, including:

- $1.129 million in state hotel taxes
- $231,000 on restaurant and bar sales taxes
- $185,000 in state personal income taxes paid by Rhode Island workers employed by the hotel and restaurant, or whose jobs are indirectly attributable to the operations of those businesses
- $81,000 in state sales taxes paid on those workers’ taxable household spending
- $23,000 in state business taxes
Workers employed by the hotel and restaurant would be drawn primarily from Providence and surrounding communities.

**Impact**

The state fiscal impact of the requested tax credit and sales tax exemption is approximately $1.6 million in foregone state tax revenue. Direct and indirect economic and fiscal benefits of the proposed project include an estimated increase in annual state GDP (in 2022) of approximately $9.3 million; the associated job creation; and a gross increase of approximately $20.969 million in hotel, personal income, sales and business tax revenues directly and indirectly generated by the project during the construction phase, and by ongoing operations during the twelve years from 2021 through 2032.

In addition to the economic and tax revenue impacts cited above, the proposed project would benefit Rhode Island in several other ways:

- By increasing the supply of hotels available to support continued growth in the Innovation District and Downcity Providence
- By creating jobs that will be accessible to workers with a high school education
- By increasing local real property and personal property taxes

Beyond the fiscal impact noted above, there is no anticipated financial exposure to the state. Various features of the Rebuild Rhode Island program mitigate other risks to the state. In particular, the completion risk (i.e., the risk that the project is not completed) is mitigated by the fact that the requested tax credits will be issued only upon completion of the development. The risk of project cost overruns is mitigated by the fact that state’s participation would be capped at the amounts set forth above.

The staff of the Rhode Island Commerce Corporation (the “Corporation”) is recommending to the Board of Directors that it approve the application of Westminster Partners, LLC (the “Application”) for an incentive pursuant to the Tax Increment Financing (“TIF”) program. This memo serves as the written confirmation, pursuant to Rhode Island General Laws § 46-64.21-6 and the Rules and Regulations for the Rhode Island Tax Increment Financing Act of 2015 (the “Rules”), of the following:

1. The Corporation’s staff has reviewed the application submitted and the impact analysis for this project (the impact analysis is provided to the Board as an exhibit to the approving resolution for the project).

2. The proposed boundaries of the Qualifying TIF Area (as that term is defined in the Rules) shall be limited to that portion of the real property known as 187 / 203 / 213 Westminster Street, Providence, RI upon which the proposed mixed-used project will be constructed.

Re: Revenue Increment Base Certification for Westminster Partners, LLC TIF Application

Date: February 25, 2019

The staff of the Rhode Island Commerce Corporation (the “Corporation”) has informed the Division of Taxation (the “Division”) that it intends to recommend to the Corporation’s Board of Directors the application of Westminster Partners, LLC (the “Application”) for incentives under the Rhode Island Tax Increment Financing Act of 2015, R.I. Gen. Laws §§ 42-64.21-1 et seq. (the “Act”). The Corporation proposes to enter into a TIF agreement with the Applicant in which the relevant tax streams will be the hotel sales and occupancy taxes as well as restaurant food and beverages taxes assessed and collected under Chapters 18 and 19 of Title 44 of the General Laws. The Act requires the Division to certify the “revenue increment base” for this proposed TIF agreement. See R.I. Gen. Laws § 42-64.21-3(11). This memo constitutes the Division’s certification under the Act.

The Act defines the “revenue increment base” as “the amounts of all eligible revenues from sources within the qualifying TIF area in the calendar year preceding the year in which the TIF agreement is executed, as certified by the division of taxation.” Id. The Corporation has informed the Division of the following:

- The Application is for an adaptive reuse of the properties located at 187, 203 and 213 Westminster Street, Providence, RI.
- The proposed qualifying TIF area for the Application located on Assessor’s Plat 020/Lot 0021, 0022, 0025, as depicted in the map attached in Exhibit A.
- The Corporation has determined, in its discretion, the eligible revenues for purposes of this Application would not exceed the sales and hotel occupancy taxes as well as restaurant food and beverages taxes assessed and collected under Chapters 18 and 19 of Title 44 of the General Laws.
- The TIF Agreement is anticipated to be entered into in the 2019 calendar year.

The Division of Taxation has determined that no Rhode Island hotel sales and occupancy taxes nor restaurant food and beverages taxes was collected or assessed in the proposed qualifying TIF area for the calendar year 2018. Accordingly, on the basis of the foregoing information provided by the Corporation, the Division hereby certifies that the revenue increment base for the proposed TIF agreement is zero ($0.00).

Rebuild Rhode Island Tax Credits – Economic Impact Analysis
Westminster Partners LLC Application

Introduction
The Rhode Island Commerce Corporation (the “Corporation”) may provide Rebuild Rhode Island tax credits and tax increment financing (“TIF”) incentives to Westminster Partners LLC (the “Sponsor”). The credits would be provided in connection with the Sponsor’s proposed investment in the adaptive reuse of two long-vacant buildings on Westminster Street in Downcity Providence. The 124,000 square-foot project would include:
- A 91-room Hotel Hive
- The Hive Life Lofts – 48 studio apartments that could be used either for long-term rentals, as corporate apartments, or for short-term rentals
- Hive HQ, a 7,130 square-foot co-working and shared office space
- The Hive Bar – a 3,295 square-foot bar and social space and outdoor café
- &Pizza, a 2,400 square-foot fast-casual pizza restaurant
- A 13,440 square-foot rooftop bar and restaurant (including approximately 6,300 square feet of outdoor space)
- Approximately 54 parking spaces

The Sponsor estimates the total cost of the project to be $39.0 million. The Sponsor is requesting Rebuild Rhode Island tax increment financing incentives totaling $6.0 million.
This analysis was prepared by Appleseed, a consulting firm with more than twenty years of experience in economic impact analysis.

Jobs Analysis
Construction
As shown in Table 1, the Sponsor’s estimate of total project cost is approximately $39.0 million.

</tbody>
</table>

After excluding certain expenditures that do not have a direct, current impact on Rhode Island’s economy (such property acquisition and interest paid during construction), spending on development of the proposed project is estimated to total approximately $33.5 million.
Appleseed estimates that direct expenditures of $33.5 million will directly and indirectly generate:
- 232 person-years\(^1\) of work in Rhode Island, with $14.1 million in earnings (in 2020 dollars);

\(^1\) A person-year is equivalent to the time worked by one person who is employed full-time for a year. It could for example represent the work of two people who are each employed full-time for six months; or the work of one person who is employed half-time for two years.
• Approximately $40.8 million in statewide economic output; and
• A one-time increase of $21.1 million in Rhode Island’s GDP.

These impacts are summarized below in Table 2. The project’s direct impact is the impact of the Sponsor’s direct spending on construction, including both hard and soft costs. Its indirect impact is the effect of spending by contractors for goods and services (insurance, construction materials, etc.) purchased from other Rhode Island businesses.

In addition to the impacts on employment, earnings, output and state GDP cited in Table 2, direct spending of $33.5 million would generate a projected one-time increase of approximately $1.378 million in taxes paid to the State during construction, including:

• $548,000 in state sales and use taxes on materials used in construction
• $531,000 in state personal income taxes paid by Rhode Island workers employed on the project, or whose jobs are indirectly attributable to the project;
• $232,000 in state sales taxes paid on those workers’ taxable household spending; and
• $67,000 in state business taxes.

The activity reflected in Table 2 will occur primarily in 2019 and 2020. The anticipated wage rates for construction jobs are shown below in Table 3. Anticipated wage rates are the median hourly wage for these occupations in Rhode Island, as of 2017.

Fringe benefits associated with these jobs are expected to be in accordance with industry norms, with the cost of such benefits generally ranging between 22 and 28 percent of wages. Workers who fill these jobs are expected to be drawn primarily from the Providence-Warwick RI-MA New England City and Town Area (NECTA).

Annual operations

The residential units, hotel, and other new businesses included in the proposed project are expected to begin operating in the spring of 2021, with stabilized operations being reached in 2022. Using IMPLAN, and

2 Output is a measure of the total sales by Rhode Island companies (including the "sale" of labor by Rhode Island households) generated by the project.
3 Rhode Island Department of Labor and Training, Occupational Employment Statistics, 2017
based on information provided by the Sponsor, Appleseed estimates (as shown in Table 4) that in 2022, ongoing operations would directly and indirectly support:

- 154 full-time-equivalent jobs in Rhode Island, with approximately $5.2 million in annual earnings (in 2022 dollars);
- $13.7 million in annual statewide economic output; and
- An increase of $8.4 million in Rhode Island’s annual GDP.

In addition to the impacts on employment, earnings, output and state GDP cited in Table 4, ongoing operations would generate a projected gross increase of approximately $1.252 million in taxes paid to the state in 2022, including:

- $545,000 in state sales and hotel taxes levied on room rentals at the proposed new hotel;
- $395,000 in state sales taxes on food and beverages sold at the project’s bars and restaurants
- $200,000 in state personal income taxes paid by Rhode Island workers employed by the hotel or by other commercial tenants, or whose jobs are indirectly attributable to the operations of those businesses;
- $87,000 in state sales taxes paid on those workers’ taxable household spending;
- $25,000 in state business taxes.

Workers employed by the hotel and by commercial tenants would be drawn primarily from communities throughout the Providence-Warwick RI-MA NECTA.

**Impact**

The state fiscal impact of the requested TIF incentive is approximately $6.0 million in foregone state tax revenue. Direct and indirect economic and fiscal benefits of the proposed project include an estimated increase in annual state GDP (in 2022) of approximately $8.4 million; the associated job creation; and a gross increase of approximately $15.522 million in hotel, personal income, sales and business tax revenues directly and indirectly generated by the project during the construction phase, and by ongoing operations during the twelve years from late 2021 through late 2032.

In addition to the economic and tax revenue impacts cited above, the proposed project would benefit Rhode Island in several other ways:

- By redeveloping and activating a long-vacant property in Downcity Providence
- By increasing hotel capacity in the city
- By providing new dining and entertainment options in the Downcity area
- By increasing hotel, real property and personal property taxes paid to the city

Beyond the fiscal impact noted above, there is no anticipated financial exposure to the state. Various features of the Rebuild Rhode Island program mitigate other risks to the state. In particular, the completion risk (i.e., the risk that the project is not completed) is mitigated by the fact that the requested TIF incentives will be issued only upon completion of the development. The risk of project cost overruns is mitigated by the fact that state’s participation would be capped at the amount set forth above.

VOTED: To approve the issuance of bonds in relation to the Historic Structures Tax Credit Financing program pursuant to the Resolution presented to the Board.
RESOLUTION AUTHORIZING THE ISSUANCE OF NOT MORE THAN $77,000,000 OF RHODE ISLAND COMMERCE CORPORATION REVENUE BONDS (HISTORIC STRUCTURES TAX CREDIT FINANCING PROGRAM - SERIES 2019 A) AND AUTHORIZING AND APPROVING THE EXECUTION AND DELIVERY OF A SUPPLEMENTAL TRUST INDENTURE, A BOND PURCHASE AGREEMENT, A PRELIMINARY AND FINAL OFFICIAL STATEMENT, A PAYMENT AGREEMENT WITH THE STATE OF RHODE ISLAND OR ANY OF ITS AGENCIES, DEPARTMENTS AND GENERAL OFFICERS, AND ALL OTHER DOCUMENTS AND MATTERS IN CONNECTION THEREWITH

February 25, 2019

WHEREAS: In order to finance the balanced absorption of Historic Tax Credits in the State's 2019 fiscal year, and future fiscal years, the State has requested that the Corporation issue the Bonds (defined below) before the end of the State's 2019 fiscal year (the "Project"); and

WHEREAS: The General Assembly Resolution specifies that neither the Bonds nor the Payment Agreement shall constitute indebtedness of the State or any of its subdivisions or a debt for which the full faith and credit of the State or any of its subdivisions is pledged except to the extent the State appropriates funds for the Bonds or the Payment Agreement subject to annual budget appropriations; and

WHEREAS: The Corporation is authorized pursuant to the General Assembly Resolution and the Act to borrow money and issue bonds for the purposes specified in the General Assembly Resolution and to enter into such agreements and take such actions as the Corporation shall deem necessary or desirable to effectuate the financing specified in the General Assembly Resolution; and

WHEREAS: The Corporation desires to assist the State in the financings described above; and
