

Spring 2021 Clean Energy Internship Program Instructions

Student Application

Due: November 25, 2020

Rhode Island's clean energy industry has seen significant employment growth with an impressive 74% increase since 2014. Over 16,000 green jobs ranging from direct construction, engineering, research, policy, professional services, energy efficiency and more! The RI Clean Energy Internship Program is designed to help provide internship opportunities in these careers. Students will be able to develop professional skills under the mentorship of an industry partner to combat real world problems in energy and the environment.

Eligibility & Requirements:

Demonstrate that the student applicant is currently enrolled (or has documentation of a graduation date on or after May 2020) in a college or university in Rhode Island or if the college or university is located outside of Rhode Island, can demonstrate proof of residency.

An applicant must be returning to their undergraduate program or entering a graduate program in Fall 2021

How to Apply:

Applicants must complete and submit all application materials electronically to the Renewable Energy Fund by the application deadline – November 25, 2020.

Submit completed applications to:

ref@commerceri.com

Application Packets must include the following:

- Completed Student Intern Application Form
- One-page cover letter
- Resume
- Current unofficial transcript

Student Intern Application Form
