ADDENDUM NO. 1
Questions & Answers

REQUEST FOR QUALIFICATIONS
TRADE SHOW EXHIBIT DESIGNERS

The Rhode Island Commerce Corporation seeks to retain multiple vendors to provide trade show exhibit design and construction services.

Question #1: I just read about the RFQ for Trade Show Exhibit Designers, I understand that the deadline is now past due. Can you please advise if I can still participate on it?

Answer #1: The deadline is not until the 29th so please do submit, here's the RFQ:

Question #2: So, this RFQ is basically an application that needs to be submitted by January 29th and if our score is high enough, we will be included in the bidding process?

Answer #2: Yes. Once we grade out the companies, we're basically qualifying them to be awarded any trade show contracts we have for the next year at our discretion without having to go through an RFP for each one.
