April 27, 2020 Board Meeting

United Way of Rhode Island | Innovation Network Matching | Providence, RI | \$55,000

Public Summary - The spread of COVID 19 has had a devastating effect on the small business community, especially minority owned small businesses. Minority owned businesses have historically also experienced barriers in accessing capital and other financial resources. United Way of Rhode Island will collaborate with the Hispanic Chamber of Commerce and partners in the Asian American and Native American communities to provide technical assistance to minority owned small businesses regarding CARES Act related funding.
