

Discover a Great Opportunity to Enter the Clean Energy Industry

The Rhode Island Clean Energy Summer Internship Program

ARE YOU A STUDENT WHO:

Are you interested in:

- Is currently enrolled (or can provide documentation of a graduation date on or after May 2020)
- Is attending a college or university in Rhode Island (or if the college or university is located outside of Rhode Island, can demonstrate proof of residency)

Then you are eligible to apply for a **12-week PAID INTERNSHIP** working for a clean energy industry company. Get professional experience in learning how to combat real world problems in energy and the environment!

Interns are given the opportunity to:

- ❖ Participate in research projects
- ❖ Gather and analyze data
- ❖ Attend virtual meetings and conferences
- ❖ Develop communication and outreach materials
- ❖ Learn about the clean energy industry
- ❖ ... and so much more!

Applications for Summer 2021 Session Due: Friday, April 16, 2021

Positions are limited and are competitive
