

RI Relief Grant Program: Apply by April 30, 2021

Checklist: Prepare to apply

The RI Small Business Relief Grant Program provides \$5,000 grants for small businesses that have suffered financially due to COVID-19. Visit <http://commerceri.com/reliefgrant> to learn more and for a link to the online application. Here are steps you will complete to get ready to apply:

- Confirm your industry is eligible.** Industries not currently eligible: non-profits, lobbying or political organizations, elementary/secondary schools; child care providers (see Child Care Stabilization Fund info on next page*), landlords/real estate companies, public or private foundations, and government-owned entities/elected official offices. All other industries are eligible.
- Check if your business have less than \$1 million in “gross receipts or sales” in 2020?** If not, you are ineligible at this time. For the purposes of this grant program, please do not include any financial assistance received in 2020 in the "gross receipts or sales" amount entered here. You can find “gross receipts or sales” on your tax return. On IRS form 1120, 1120S, or 1065, this is on line 1a. On IRS form 1040 or 1041, this is on schedule C, part 1, line 1. If you have not yet filed your 2020 taxes, this may be found through a point-of-sale system, general ledger, or accounting system (e.g. Quickbooks, Freshbooks, Xero, etc.).
- Make a list of COVID-related financial assistance you have received to pay for 2020 expenses.** This includes, but is not limited to: PPP (2020 only); EIDL Targeted Advance (grant only); RI Commerce Restore Grant; Division of Taxation Pause Grant; Division of Taxation Early Closure Program for Restaurants and Bars; RI Commerce Business Adaptation; RI Commerce HART Direct Support/ESR; RI Commerce Take it Outside; business interruption insurance; or other municipal, federal, or other state grants.

- Did your business have a 2020 COVID-related net financial need of \$5,000 or greater?** To calculate this:

2019 Gross receipts or sales:	_____	(A)
2020 Gross receipts or sales:	_____	(B)
2020 COVID Assistance:	_____	(C. Total of list you made above.)
Net Financial Need:	_____	Subtract A minus B minus C

If your Net Financial Need exceeds \$5,000, you meet the eligibility requirement and do not need to provide 2020 COVID-related increased costs or expenses.

If your Net Financial Need is LESS than \$5,000, you may still be eligible. Next sum up your COVID-related increased costs or expenses. Please list your COVID-related increased costs or expenses using the form available at <http://commerceri.com/reliefgrant> and retain this list for your records.

2020 COVID-related costs:	_____	(D) (Only add if needed to meet eligibility)
Net financial need:	_____	A minus B minus C plus D

New businesses may apply if they were established in RI prior to 1/1/21. If your business formed in 2019 or 2020, please visit Commerce RI online to learn how to calculate your net financial need.

- Confirm you meet other eligibility criteria.** See <http://commerceri.com/reliefgrant> for a full list.
