

## **REQUEST FOR PROPOSAL**

### **For: Writing and Editing Services**

The Rhode Island Commerce Corporation (Corporation) seeks proposals from qualified firms or independent consultants to provide background research, writing and editing services related to the RI Science & Technology Advisory Council (STAC)'s development of an update to the State Science & Technology Plan.

This document constitutes a Request for Proposal ("RFP"), in a competitive format, from qualified firms or independent consultants. This request is an offer by the Corporation to underwrite, in accordance with the terms and conditions of this RFP, the services proposed by the successful applicant(s), by contract.

The respondents ("Proposers") to this RFP shall provide a proposal, in accordance with the terms and conditions set forth herein, to provide all or part of services to the Corporation as described in the Scope of Work.

### **Project Overview**

STAC is a coalition of business, academic, and government leaders with the mission to recommend and initiate strategic investments that drive economic development and job creation by maximizing the economic impact of research, technology and innovation. STAC initiatives support the State's research and development activities by promoting collaboration across institutions and encouraging entrepreneurship and new company creation through the transfer of new technologies and discoveries into the marketplace. STAC is the State Governing Committee for RI NSF EPSCoR. To create stronger connections across the State's research organizations, STAC serves as a platform for promoting collaboration, maximizing state and federal investment in research and enhancing the State's R&D-related economic development opportunities. By promoting collaboration among the State's research universities, research hospitals, corporations and government agencies, STAC supports current research activities, strengthens the ability of Rhode Island investigators to attract federal and corporate research investment, promotes expansion of our innovation infrastructure and spurs economic development and job growth.

STAC is seeking the services of one or more vendors to assist in the development of an update to the Rhode Island State Science & Technology Plan. The current Plan outlines core sectors that are strong in Rhode Island and for which the State has the potential to build world class R&D stature and establish economic vitality. It also identifies a combination of complementary assets in Rhode Island that enhance and boost these sectors. Finally, it sets forth a set of specific actions that lays the foundation for economic growth by encouraging cooperation and building

partnerships at our universities and colleges, hospitals, governmental agencies and the private sector. This plan is a living document, to be updated as new expertise and resources develop. The purpose of this project is to document the momentum and gains of the past five years related to Rhode Island's innovation economy.

### **Scope of Work**

The Corporation seeks a vendor to provide necessary background research, strategic thinking, writing and editorial services including copy editing/proofreading to support the development and publication of the updated RI Science & Technology Plan.

### **Qualifications**

The successful Proposer(s) must demonstrate professional experience in strategic planning, writing, editing and proofreading. Demonstrated knowledge in Rhode Island's academic research assets and innovation infrastructure, especially the development and growth of these areas over the past five years, is highly preferred.

### **Project Timeline**

The term for this project is April to July 15th of 2021. The successful Proposer(s) will enter into a contract for services with the Corporation. The duration of the initial contract between the Corporation and the successful Proposer is expected to begin upon the date of contract approval. Performance of the work will be offsite in the proposer's location.

### **Budget**

Approximately \$20,000 is available for this project.

Proposers to this RFP shall provide a proposed fee structure for providing the services necessary to complete the proposed scope items. Proposers shall include a total, maximum price to accomplish the scope items incorporated in the proposal. Fee structure proposals shall include, but should not be limited to, costs for specific task items from the Scope of Work along with an estimate regarding the duration and number of hours to complete each task. Additionally, proposers shall provide a personnel schedule which includes job title and billing rate for any work that may be undertaken under this contract. Proposers shall also provide job titles and rates for any subcontractors that the respondent is including in this response. If the Proposer contemplates any purchases or pass-through charges during the engagement, any mark-up rate above actual cost shall be identified as a separate line item in the budget. The Corporation reserves the right to adjust both the budget and related services.

In addition to showing how they will meet the requirements outlined above, Proposers should also provide information regarding the following:

- **Travel and Administration:** The Proposers should estimate, and justify, any travel costs expected to incur during contract period. Travel and per diem expenses shall not exceed rates authorized by the Corporation's Travel and Expense Policy.

**NOTE:** Designated Corporation staff or selected advisors will evaluate the written proposals. The Corporation may at any time during the evaluation process seek clarification from Proposers regarding any information contained within their proposal. Final scores for each respondent will reflect a consensus of the evaluations. Any attempt by a Proposer to contact a member of Corporation staff or selected advisors outside the RFP process, in an attempt to gain knowledge or an advantage, may result in disqualification of Proposer.

1. ISBE Participation Evaluation (see below for scoring)

- a. The Rhode Island Commerce Corporation encourages MBE/WBE/DisBE participation in this Request. In accordance with Title 37, Chapter 14.1, and Title 37, Chapter 2.2 of the Rhode Island General laws, the Corporation reserves the right to apply additional consideration to MBE/WBE/DisBE up to six (6) additional points in the scoring evaluation as provided below:
- b. Calculation of ISBE Participation Rate
  - i. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for nonISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example, if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
  - ii. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example, if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.
- c. Points for ISBE Participation Rate:
  - i. The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

(Vendor's ISBE participation rate ÷ Highest ISBE participation rate X Maximum ISBE participation points)

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive  $(12\% \div 20\%) \times 6$  which equals 3.6 points.

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope.
