[refinternships.commerceri.com](https://refinternships.commerceri.com)

Contact Information:

RI Office of Energy Resources

Email: [energy.resources@energy.ri.gov](mailto:energy.resources@energy.ri.gov)

Is your company:

- Involved in the clean energy industry?
- Looking to hire an intern?

Discover young, talented professionals here in Rhode Island through this program!

The Rhode Island Clean Energy Internship Program, offered through the Renewable Energy Fund at Commerce RI and the Rhode Island Office of Energy Resources, is focused on increasing real world student learning opportunities in the clean energy sector.

Hire up to two interns, and have their stipends reimbursed at the end of the session!

Positions are limited and competitive - apply now!
