***NOTE:** Designated Corporation staff or selected advisors will evaluate the written proposals. The Corporation may at any time during the evaluation process seek clarification from Proposers regarding any information contained within their proposal. 1. ISBE Participation Evaluation (see below for scoring)
  - a. The Rhode Island Commerce Corporation encourages MBE/WBE/DisBE participation in this Request. In accordance with Title 37, Chapter 14.1, and Title 37, Chapter 2.2 of the Rhode Island General laws, the Corporation reserves the right to apply additional consideration to MBE/WBE/DisBE up to six (6) additional points in the scoring evaluation as provided below:
  - b. Calculation of ISBE Participation Rate
    - i. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for nonISBE vendors shall be expressed as a percentage and shall be

calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example, if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.

ii. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example, if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.

c. Points for ISBE Participation Rate:

i. The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

(Vendor's ISBE participation rate ÷ Highest ISBE participation rate X Maximum ISBE participation points)

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive  $(12\% \div 20\%) \times 6$  which equals 3.6 points.

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation
