

**REQUEST FOR PROPOSAL
For State Small Business Credit
Initiative Advisor**

The Rhode Island Commerce Corporation (Corporation), seeks to retain a highly qualified firm to act as an expert advisor to the Corporation in connection with the establishment of a new State Small Business Credit Initiative (“SSBCI”) Program. Such advisory services will include, but not be limited to, assessing the hurdles and the difficulties Rhode Island small businesses have in accessing credit, identifying best practices for SSBCI programs, and using that information to design, create, and implement programs to improve the ability of small businesses to obtain the access to capital they need.

This document constitutes a Request for Proposal (“RFP”), in a competitive format, from qualified firms. This request is an offer by the Corporation to underwrite, in accordance with the terms and conditions of this RFP, the services proposed by the successful firm(s), by contract.

The respondents (“Respondents”) to this RFP shall provide a proposal, in accordance with the terms and conditions set forth herein, to provide all or part of services to the Corporation as described in the Scope of Work.

Project Overview

The COVID-19 health pandemic has disproportionately impacted small businesses across Rhode Island, particularly those owned and operated by women and minorities. Every community has had to face the unfortunate reality of local storefronts that are closing or have closed, resulting in friends or family members that have been furloughed or laid off. Nationally, small business revenue is down significantly and hundreds of thousands of firms have permanently closed, with many more at risk.

In general, small businesses can face greater hurdles in accessing credit, and many small businesses were already financially fragile at the outset of the pandemic.

The American Rescue Plan will provide up to \$56 million to fund small business credit expansion initiatives in Rhode Island. It is expected that this law will inject capital into small business support and capital access programs, provide collateral support, facilitate loan participation, and enable credit guarantee programs. It will boost Rhode Island’s small business venture capital programs and provide funding for technical support and assistance.

It is anticipated that the firm that is selected to advise the Corporation in its efforts to improve and expand small businesses obtain access to capital will perform the scope of work provided below.

Scope of Work

The Corporation is seeking proposals from highly qualified firms to provide expert guidance in connection with the design, creation, implementation, operation, and management of a new SSBCI program. The following is a non-exclusive list of project deliverables:

1. Assessing the specific capital needs of small business in Rhode Island, including specific gaps in or obstacles to such capital by small businesses generally, subsets of small businesses or specific sectors of small businesses;
2. Identifying best practices for SSBCI programs in other states;
3. Designing and developing programs to increase liquidity in capital markets for small and minority-owned businesses. Such programs could include (i) funding loan loss reserves, (ii) creating state-sponsored venture capital funds (including possible targeted funds such as for tech transfer, bioscience or blue economy), (iii) creating state-sponsored direct loan programs (including governance thereof), (iv) establishing third party loan programs, (v) enhancing and leveraging existing SBA programs;
4. Advising on how to (i) best build the capacity required to successfully implement and manage these new SSBCI programs, (ii) identify and select the type of strategic partners and expertise that are needed, (iii) help create proper program structures, and (iv) build robust project management and systems;
5. Designing and implementing technical assistance programs for small businesses;
6. Designing robust compliance and reporting systems.

Qualifications

Respondents should have demonstrated experience in providing advice and guidance to the federal government or to a state or states in connection with SSBCI programs.

Project Timeline

The project will begin immediately upon selection. The successful Respondent will enter into a contract for services with the Corporation. The actual scope of work in such contract(s) will be negotiated. The duration of the initial contract between the Corporation and the successful Respondent is expected to begin upon the date of contract approval.

Budget

Respondents to this RFP shall provide a proposed fee structure for providing services, which may include, as applicable, hourly fees and/or other fee structures deemed appropriate by a Respondent. If the Respondent contemplates any purchases or pass-through charges during the engagement, any mark-up rate above actual cost shall be identified as a separate line item in the budget. The Corporation reserves the right to adjust both the budget and related services

NOTE: Designated Corporation staff or selected advisors will evaluate the written proposals. The Corporation may at any time during the evaluation process seek clarification from Proposers regarding any information contained within their proposal. Final scores for each respondent will reflect a consensus of the evaluations. Any attempt by a Proposer to contact a member of Corporation staff or selected advisors outside the RFP process, in an attempt to gain knowledge or an advantage, may result in disqualification of Proposer.

1. ISBE Participation Evaluation (see below for scoring)

- a. The Rhode Island Commerce Corporation encourages MBE/WBE/DisBE participation in this Request. In accordance with Title 37, Chapter 14.1, and Title 37, Chapter 2.2 of the Rhode Island General laws, the Corporation reserves the right to apply additional consideration to MBE/WBE/DisBE up to six (6) additional points in the scoring evaluation as provided below:
- b. Calculation of ISBE Participation Rate
 - i. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example, if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
 - ii. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example, if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.
- c. Points for ISBE Participation Rate:
 - i. The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

(Vendor's ISBE participation rate ÷ Highest ISBE participation rate X Maximum ISBE participation points)

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

NOTE: Designated Corporation staff and/or selected advisors will evaluate the written proposals. Final scores for each Respondent will reflect a consensus of the evaluations.

Any attempt by a Respondent to contact a member of the Corporation or selected advisors outside the RFP process, in an attempt to gain knowledge or an advantage, may result in disqualification of the Proposer.
